A Note from Our Principal...

Hello PCA Family,

As of today we are still under the Governor's order to close schools until April 7, 2020. To date we have lost 4 days to the Covid-19 Pandemic. According to our PCA Calendar, we are currently on Spring Break. During this week, we are finalizing details and procedures to provide on-line learning for PCA students. We will be utilizing Abeka's "Pro Teach" platform to allow students to do class work and receive instruction at home beginning on Monday Mar. 30, 2020. Our PCA teachers will be in contact with parents and students to provide help as needed in understanding these lessons. We will be providing you all with more information very shortly to assist you in this process.

Tom

WHEN WE PUT
OUR PROBLEMS IN
GOD'S HANDS,
HE PUTS HIS
PEACE IN OUR HEARTS.
