Gardening season is upon us! Next week, the fifth graders (and others) are planning on spending some extra time working in the garden. If you would like to donate to our school garden, you may begin to bring things in at any time and leave them in the "garden room."

Things that we could use for the garden include:

potting soil

2 bales of straw mulch

planters/pots (new or used)

Various flower plants

6-8" elephant ear bulbs

Vegetable plants (jalapeno pepper, bell pepper, broccoli, cauliflower, cabbage, etc)

If anyone has time or materials to repair some of our raised beds, some of them could use some TLC.

THANK YOU ALL!

## **Kindergarten & 1st grade Field Trip**

It is going to be a HOT one on Thursday!

We will have a cooler of water bottles for the kids and also a couple coolers to store our lunches in. We could use one or two more coolers for lunches. If you are driving and could bring a cooler, please let the office know.

Reminder to bring booster seats and face masks.

Chaperones, please pay \$7.50 to the office if you haven't already.

## **2nd grade ~ Mrs. Bickett**

**It's hard to believe the year is almost over! It has been a joy to teach all of your children! They and you have blessed me in so many ways! Thank you for loaning me your children! FYI I will not be at school on the 19<sup>th</sup> and 20<sup>th</sup> due to an event I am attending in Wisconsin.**

Thank you to all who helped chaperone and drive for our field trip to Pin Splitter Lanes! Next Tuesday, May 17th we will be going to Zearing Park. We will leave PCA at 11:50 and return by 2:45. If you would like to go with us or meet us there you would be welcome to do so.

This is our last week of homework! (hurray!!) Students need to work on their spelling words and verse only! We have finished our last reading book, so no reading homework! We will not have any math homework either.

In Bible class we are learning about Paul and Barnabas and how they encouraged one another and other believers. Our verse is 1 Thessalonians 5:11; "Therefore encourage one another and build each other up, just as in fact you are doing." We will recite this verse on Friday. Spelling test 33 (our last one) will be on Friday as well.

## **3rd grade ~ Mrs. Glass**

Bible - Memory Verse: Matthew 28:19. We will be focusing on prayer, giving, and evangelizing.

English - We will be working with a thesaurus, learning what antonyms are, and homonyms.

Math - We will have "on your own" papers all week, reviewing what we have learned. Test on Friday.

Spelling - List #33 Test Friday...the last spelling test of the year! Yay!

History - The next people in history that the children chose are Jim Thorpe and Jesse Owens.

Health - We are going to learn public safety while crossing the street, walking through a parking lot, and riding our bicycles.

Field Trip to John Deere! Tomorrow, May 11th! Dress for the weather.

This summer, something to continue to work on with your child is their multiplication facts!

I have enjoyed this year with your children. I have enjoyed watching, in many ways, how they have grown closer to our Lord.

Have a blessed summer!

#### **4th grade ~ Mrs. Odell**

We will review our verses for this week.

We're going to test on spelling list 33 tomorrow moving on to 34. We are studying Beyond our Borders and the World Wars in history. The children should be drilling on the states and capitals and the presidents, too. We will end the year with tests on these things.

Our plant sale was such a great time for the children! They planted, watered, fertilized, watched and even petted some of them. The \$75 that was earned from their sale will go to a missionary and our sponsored child, Allison. We also have some plants for our school garden. Thank you for participating in this endeavor with us. They practiced counting change back which is quite an accomplishment!

I sure was grateful for the wonderful food supplied to the teachers and staff last week! Everything was delicious and we felt so loved!! Thank you!

Have a wonderful spring week marveling in the beauty of this season!

#### **5th grade ~ Mr. Clausen**

English - Test Wednesday

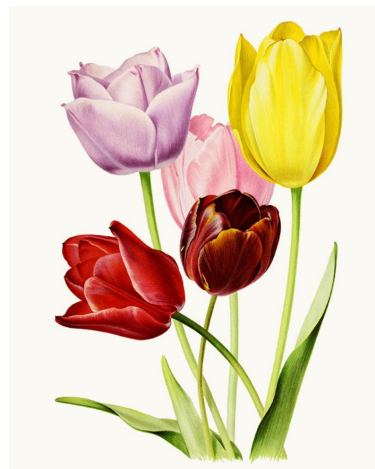

Health - Test Thursday

History - Test Friday

#### **Science ~ Mr. Cornman**

All grades are dissecting this week in science!

#### **PCA Sponsorship Child**

We as a school have the wonderful opportunity to support Allison Rosales, an 11 year old little girl living in Lima, Peru.

We ask that each student gives 50¢ a month, or \$5 for the year. Our financial giving will help provide Allison with meals, Bible teaching, and other care for her growth and health. Please remember to pray for Allison and her family (mom, dad, and 2 sisters).

Check out the bulletin board in the school foyer for more info on Allison!
