What a joy this past school year has been! We have had our ups and downs, but our Lord Jesus Christ is so very good to us and sees us through! Parents, thank you for your support of the staff and this school! We so loved each one of these students and will continue to pray for them and for your families! We will miss you all this summer, but August will be here quickly! God bless you and enjoy your summer!

3rd grade - Mrs. Scott

Thank you so much for allowing me the privilege of teaching your children this year! It has been an amazing year! I have grown and I hope the children have grown as people too. I hope they will remember this year as a year where they learned that loving God and others is the most important lesson and making things right when we hurt each other is the best thing to do.

I couldn't be more proud of how well the students learned their Bible verses! They are all champions in my book! Almost all the children learned 35 verses over the course of the school year and can still say them well! The Bible promises that God's Word will profit ("not return void") in our lives!

The last verse we memorized (2 Peter 1:3, "His divine power has given us everything we need for life and godliness through our knowledge of Him who called us by His own glory and goodness.") reminds us that we can do what is right with God's strength! I have really enjoyed this year and I hope the children did too. Please pray for me as I move to North Dakota next month!

God bless you friends, I hope you have a great summer!

4th grade - Mrs. Odell

We are reviewing our year's Bible verses this week. We realized that we could continue on memorizing portions over the summer, so maybe it could be a family project? They are so quick to capture God's Word in their minds and I pray it affects their hearts as they meditate/sing the verses.

I would love to think that the students will continue learning and reviewing academics, too. There are web sites (such as Khan Academy) and practice sheets that can aid in this. Reading is essential, too.

Thank you for sharing your child with me this year! It has truly been a pleasure. Hopefully we have all grown stronger "in mind and body and in favor with God and man." Luke 2:52.

Have a wonderful summer enjoying each other, God's Word, and your daily ministries.

Much love to you all!

Mrs. Odell

Reminder for Friday!

Don't forget to send with your child the food that was designated for our Friday Fun Day! Thank you to the volunteers who have agreed to help out!

It will be a FUN DAY for sure!

One more thing:

Congratulations to Mr. & Mrs. (Tim) Christina Batchelor, PCA's music teacher, as she is expecting their third child in October! It's a boy! So congratulate Timothy and Elaina on their baby brother! Take care! We are excited for you all!
