12 - Kirk Chism  
13 - Laiken Barnett  
15 - Mrs. Schultz  
19 - Rose Murphy  
23 - Calvin Anderson  
23 - Zoey Du Preez

## **Mrs. Baker's First Grade Note**

Welcome back first grade. I hope everyone had a wonderful Christmas break. It is hard to believe we are beginning our second half of the year already.

For the next semester we will be exploring some of the amazing places God has created for us through geography and history.

In Bible we are beginning a study of the tower of Babel as we learn how God orchestrated how people would inhabit the earth.

Our next spelling unit is list 14 and our test will be January 12, 2026.

I am excited for the new things we will be learning in the upcoming months.

~ Mrs. Baker.

## **Mrs. Bickett's Second Grade Note**

Welcome back to a new year! I hope you had a wonderful Christmas vacation!

We will be getting either a fable, poem or Bible passage to memorize for the speech contest we will have in February. Look for those to come home by the end of the week. Students should begin working on memorizing their speech.

Bible: We are beginning a new unit in Bible this week. We will be looking at Solomon's reign and how the kingdom became divided. We will also learn about Elijah's challenge to the prophets of Baal and how God responded to the wickedness of King Ahaz. Our first memory verse in this unit is James 1:5 "If any of you lacks wisdom, let him ask God, who gives generously to all without reproach, and it will be given him." We will work on this verse this week and next.

Phonics and Language: We are focusing on identifying common and proper nouns, how to proof read sentences and capitalization rules. We will review how to make plural nouns by adding s, es, or changing y to i and adding es.

Spelling: We are studying list 16 words. Spelling test 16 will be given on Friday. This is a review list except for learning the definitions of the vocabulary words.

Math: We will learn the 16 subtraction family, how to use double math facts to find half of a number, subtract with borrowing in the tens place, and how to write monetary amounts 2 ways. ex. \$0.78 and 78¢

Science: We are learning about plants. We will learn about the different parts of a plant, and what plants need to grow.

Handwriting: We are starting to learn cursive. This week we will learn the letters Aa, Cc, & g.

## **Mrs. Glass's Third Grade Note**

Bible Verse – Exodus 3:14

Math – We will learn the next step in converting measurements. We will also work on roman numerals and fractions.

English – We will continue to work with verbs and learn helping verbs.

History – Starting next week and for the next two weeks, please help your child study the 50 states. This is a big part of their history grade. Test on Tuesday, January 27th.

## **Mrs. Odell's Fourth Grade Note**

Our Scripture focus this week is I John 4:10, plus we are learning Ephesians 2:8-9 – “For it is by grace you have been saved, through faith – and this not from yourselves, it is the gift of God – not by works, so that no one can boast.”

Our “in-house” speeches are coming home. The children need to work on them this week! They really do a great job. They are amazing!

We have been reviewing fractions and factors in math. We will test on spelling list 17 Wednesday and then move on to list 18. We have started chapter 9, “The Nation Grows and Prospers,” in history, and Chapter 3 review, “Force and Motion,” in science.

Enjoy the remainder of your week! Keep looking up!

## **Mr. Clausen's Fifth Grade Note**

Welcome back!

Nation Notebooks should be more than half-way completed. If they are not, students should begin doing extra each week until caught up. Extra time during recess can be arranged for students who need it.

## Mrs. Lunger's Jr. High Note

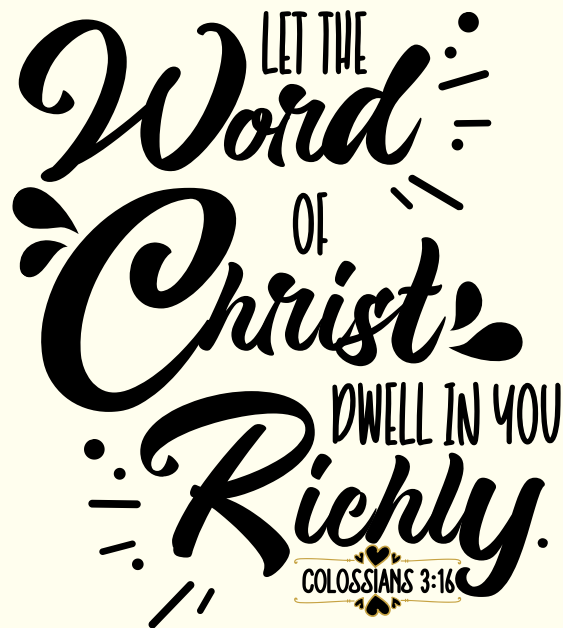

Welcome back from our break!! I hope everyone had a great time away.

6<sup>th</sup> Grade Science- finishing chapter 3, "Our Great Earth" on Friday. Test will be the first of next week.

7<sup>th</sup> Grade Science - finishing chapter 4, "A Healthy Life". Expect a test at the end of the week.

6<sup>th</sup> Grade History - "Animals of the Rockies" pictures were turned in this morning and will be on display. We will continue studying "The American West" this week and next.

8<sup>th</sup> Grade Science -We will continue studying the "Survey of the Seas" this week. Expect a test next week.

PCA MISSION STATEMENT ~ To provide an excellent academic education with  
a Christian worldview based on the absolute authority of God's Word,  
the Holy Bible.
