We need drivers and car seats for all the children. If you are able to drive please see the office for paper work and copies of your license. Please let me know if you can drive or text me. The students and parents need to bring a sack lunch and drink for lunch that day. We will return to school to finish our day at school after our lunch at Boggio's.

Watch my door for Conference sign up times. Conferences will be Monday through Friday, October 22-25th.

We will continue to talk about our Community Helpers unit in Social Studies. We will have our Veterinarian clinic set up for free play with lots of stuffed animals.

In Phonics we will be adding the letters C, c, and S, s with their sounds and blends. The boys and girls are reading lots of words using our blends as we practice sounding new words after we add the ending letter sounds. The sight word "the" is everywhere and we can find it. We added the sight word "I" this week and "to". The students will name letters "after" when they hear a group of letters. The class will start spelling and writing words. The students should be able to name the beginning letter of a word using; t, l, m, n, b, or h. There will be a Phonics evaluation.

We will write our new letters in Handwriting and continue to practice all our letters. We will also be writing words with our letters. The students did an awesome job last week writing the letters "m" and "h".

In Numbers we will be making the teen numbers with our flash cards (10, 11, 12, 13, 14, 15, and 16). Number recognition will be evaluated.
