Teacher Feature

Mrs. Person Kindergarten

How long have you been a teacher?

This is my first year!

Tell us about your family...

I have been married to my husband Jake for 10 years.
We have a 5 year old daughter who is in PreK at PCA.

In your free time outside of school, what hobbies do you enjoy?

I love being outdoors!

What extracurricular activities were you involved in during your school years?

Cheerleading
Drama
Band
Chorus

Jeremiah 29:11

For I know the plans I
have for you," declares the
Lord. "plans to prosper
you and not to harm you.
plans to give you hope
and a future.

Mrs. Person's Favorites

All things blue!
Pasta
Chicago Bears
Fall
Olive Garden

What do you wish to instill in your students?

I want to instill in them a love for
the Lord and a love for learning!

What motivates you in ministry?

To watch the children grow in their knowledge
of the Lord and to get them excited about learning!

Who was your favorite teacher, and why?

My fourth grade teacher. She made learning so much fun
and I would always look forward to going to school!

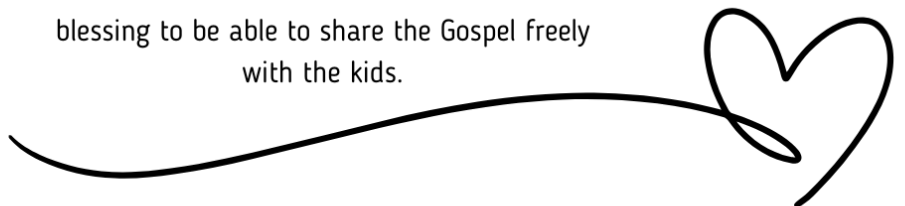

Did you know?!

Mrs. Person has been to Europe!!!

What do you love most about PCA?

I love the Christ centered environment! It's such a
blessing to be able to share the Gospel freely
with the kids.

Mrs. Person's Kindergarten Note

We have been having a lot of fun in Kindergarten. In phonics we have been learning about vowels. We are also working on recognizing rhyming words. We are working on writing names with the correct size letters. In Bible we are on our 4th C which is confusion. We have been talking about different languages and cultures. In math we have been working on identifying teen numbers and finding the missing numbers in the sequence. We have enjoyed getting outside and finding caterpillars.

Mrs. Odell's Fourth Grade Note

We are learning Colossians 1:15-17 – “He is the image of the invisible God, the firstborn over all creation. For by Him all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities: all things were created by Him and for Him. He is before all things and in Him all things hold together.” We are also realizing the presence of the Trinity in Matthew 3:16-17.

We will be working on geometry and standard measurements in math. We are testing on list 8 in spelling tomorrow then on to list 9.

I will be available for a conference with you this week if you would like to sign up by my door or contact me for a convenient time.

We have been talking of some of the struggles of pioneer life and we would like to do some pretending for a day on Tuesday, October 28. The children may dress “pioneer” like or even Western and we will attempt to do without electricity in the classroom. I think it will be an “eye-opener” for all of us!

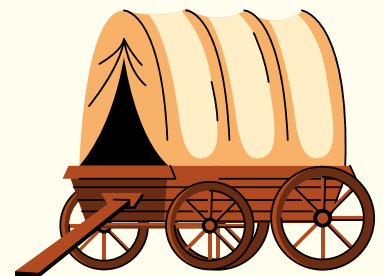

Have a great week!

Mr. Clausen's Fifth Grade Note

Science – Test on Friday over Chapters 1-5.

History – Test next week over Chapters 1-6.

Nation Notebook – Hopefully by now, we have almost 15 pages done. If not, please begin doing 2-3 pages per week.

Mrs. McCoy's Jr. High Note

7th grade:

Ancient Wonders of the World Model projects are due end of this week! I have extended the presentation date from this Thursday to this Friday in order to encourage the students to still attend Youth Group on Wednesday evening. We went over the project requirements in class again this morning so that all students understood all that they needed to include and turn in. You can ask your student to see the project rubric that I reprinted for them.

Geography Map 7A and 7B due Monday.

8th grade:

Your student should be close to having the Preamble of the US Constitution memorized! The Quiz over this will be Thursday.

Mrs. Lunger's Jr. High Note

6th Grade Science –

We began studying spiders today.

Quiz on Monday, October 20.

7th Grade Science –

We finished the unit on plants today with a test.

Our cup challenge is tomorrow and the human anatomy unit begins on Thursday.

8th Grade Science –

We are working on seismographs today and Wednesday.

Begin study of volcanoes on Thursday.

6th Grade History and Geography–

Test over Canada on Friday, October 17.
