THINGS TO NOTE ...

- **THANK YOU** to all who helped with Pastor Appreciation. We had a nice turnout and program to show our Pastors how thankful we are for them.
- **November lunch menus** are due tomorrow Wednesday, October 20.
- **BUS FAMILIES**... We will not have bus service in the afternoon this Thursday, October 21. Also, no morning or afternoon service on Friday, October 22.
- **Parent/Teacher Conferences** are going on now! Check with your teachers to schedule a meeting!
- K-5 students are working hard on preparing for our **Christmas program**! 4th and 5th graders should have their scripts memorized by now!
- **PCA Holiday Sale!** Friday, November 5. Our kids love this sale and the opportunity to buy a gift for a friend or relative. If you'd like to, you may send your child to school with a little cash that day to purchase something (a couple dollars is sufficient).

You may bring in items to donate... knick knacks, household décor, toys in good condition. (Please keep clothing to only holiday items.) *We will need a few volunteers* to help set-up, run the sale, and tear down. Many hands make light work!

- **PCA GARDEN:** Gardening season is wrapping up. If you have used pots or planters that you will not be using next year, please consider donating them to our school garden. We will also be needing some potting soil for upcoming projects. Any donations can be left in the garden room/breezeway. Thank you!

CONGRATULATIONS

to our Boys Basketball Team on their
FIRST PLACE victory in the
Malden Invitational Tournament!
We are proud of you and your hard
work!

Can't wait to watch you this season!

For His Glory!

5:00P Boys B-ball @ DePue
Fri, Nov 5 PCA Holiday Sale
Noon Dismissal. Teacher In-Service.

TEACHER'S NOTES FOR YOU!

Kindergarten ~ Mrs. Bullington

We are having lots of fun learning in Kindergarten! This week in Phonics, we are reviewing double vowels and teaching vowels + ng/nk. The kids are doing an amazing job of learning to read!

We are continuing to read about the American Revolution, to practice addition, to learn about land and water forms, and to learn about Jesus as The Lamb of God.

We have memorized Psalm 23, and we are starting a new passage for Bible memory--beginning in Romans 3:19, and we will memorize all the way to 4:5. This passage is so important for every believer in Jesus to know!

1st grade ~ Mrs. Baker

We have a wonderful group of 1st grade readers this year! With our reading skills improving daily, we are already moving to our third reading book! Great job first graders!!!

Remember to sign-up for Parent/Teacher conferences if needed. The sign-up sheet is posted outside the 1st grade classroom.

Reminder---With cool weather coming, please send a jacket with your child and mark the tag with their name, as many coats/jackets are similar. Thank you!

2nd grade ~ Mrs. Bickett

I have a sign -up sheet posted outside my door for parent/teacher conferences which I will be holding on Tuesday, October 26th and Tuesday, November 2nd.

Bible: This week we see how Joshua called a meeting of all the people to ask them to decide whom they would serve and follow. Joshua chose to follow the Lord wholeheartedly and asked the people if they would serve and follow God wholeheartedly or not. A stone was set up in Shechem so the people would remember their promise to serve and follow the Lord faithfully.

Verse: Joshua 24:14: "Now fear the Lord and serve him with all faithfulness. Throw away the gods your forefathers worshiped beyond the River in Egypt, and serve the Lord." We will recite this verse on Friday.

Phonics and Language: distinguishing between declarative and interrogative sentences, double consonant suffix rule, and writing declarative and interrogative sentences.

2nd grade Continued...

Math: adding to twelve, subtracting from 12, writing numbers in the thousands, finding $\frac{1}{2}$ and $\frac{1}{4}$ of a quantity, and measuring whole and half inches.

Spelling: We are working on list 9 spelling words, our test will be on Friday. Bonus words are: autumn, November, Tuesday, force, and gravity.

Science: We are finishing up insects and will begin learning about the scientific method and recognizing forms of energy.

3rd grade ~ Mrs. Glass

Bible - Memory Verse: Proverbs 15:29. This week we will be talking about our relationship with God through prayer. We will learn how God's love for us is never-ending.

English - We will work more with abbreviations. We will learn that names, initials, and titles of respect will be capitalized. Test over nouns will be on Friday.

Math - We will learn how to check our division problems, start multiplying by 5's, and learn bar graphs.

Spelling - List #9 Test Friday

History - We will learn about Paul Revere and Patrick Henry. Test over pages 55-90 next Wed, Oct 27.

Science - We will finish our chapter of animal habitats. Test over Chapter 8 tomorrow, Oct 20.

Please send your child to school with a coat. We love to go outside!

4th grade ~ Mrs. Odell

We are learning Colossians 1:15-17 – “He is the image of the invisible God, the firstborn over all creation. For by Him all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities: all things were created by Him and for Him. He is before all things and in Him all things hold together.” We are also learning Phil.2:5-11.

We will be working on double digit division and more measurements – both standard and metric in math. We will test over chapter 5 and 6 in history by Friday, hopefully. We are beginning the marvelous world of birds in science! We are testing on list 9 in spelling Wednesday.

We have been enjoying *Charlotte's Web* as a class and we will be doing a few activities that go along with it.

Book-It needs to be completed by October 31. Our monthly goal is 300 minutes of “at-home” reading. So far 1 fourth grader has completed it and earned his pizza coupon.

I will be available for a conference with you next week if you would like to sign up by my door or contact me for a convenient time.

4th Grade Continued...

We have been talking of some of the struggles of pioneer life and we would like to do some pretending for a day on *Friday, October 29*. The children may dress "pioneer" like or even Western and we will attempt to do without electricity in the classroom. I think it will be an "eye-opener" for all of us!

Have a great week!

5th grade ~ Mr. Clausen

History: Test Friday

English - Final draft for business letter due Friday

Science ~ Mr. Cornman

6th Science: Spiders; Arthropod Engineers Different types and characteristics.

6th history: Working on Canadian Booklets then on to Atlantic Ocean, their fish, Shellfish, Birds and mammals.

7th Science: Quiz Friday on section 3.3. Then From Tissues to Cells, a short section with Quiz 10 sections 3.3 - 3.4 probably Wednesday.

8th Science: Chapter 4 Fluid Mechanics. Kinetic Theory of Matter, Properties of Liquids, Cohesion/Adhesion.

A CHRISTMAS CAROL PCA 6-10 grade students are invited to be a part of a production of the Charles Dickens' classic, *A Christmas Carol*, on December 3 and/or 4, here in the auditorium. A sign-up is available for students now. Rehearsals will be after school, beginning the end of October. ALSO, we will need some things for the play such as costume hats, long dresses, long white night shirt, white night cap, other Dickens appropriate clothing, child's wooden crutch, French doors with no glass in them. We also need a few volunteers to sew mobcaps and fancy bonnets. If you have anything you think we can use, please contact Marty Kiser.

PCA MISSION STATEMENT ~ To provide an excellent academic education with a Christian worldview based on the absolute authority of God's Word, the Holy Bible.
