## Thanksgiving Break

2 p.m Dismissal Today

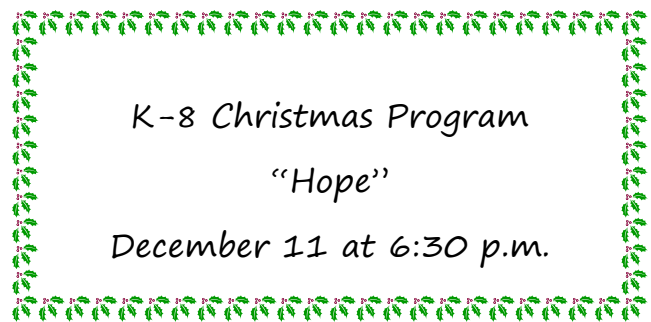

No School Wednesday-Friday, November 25-27

### THINGS TO NOTE ...

- **A special thank you** for the 105 Operation Christmas Child shoeboxes that PCA & PBC collected! Along with that, many gave in monetary donations also! You are awesome in your giving! Thank you for those blessings!
- **Thank you** to Deanna Oliver for treating the entire school to ice cream last Friday from Grandma Rosie's! And thank you to all who went to Grandma Rosie's to help out with the Memorial Fund for Kaden Wall. It was a good day!
- **The PCA apparel store** will stay open until December 5th. Orders placed by that date will be ready for Christmas. See page 2 for details.
- **Christmas Program...** As a safety measure, we will NOT be serving cookies this year. Grades K-8 are participating in the program. There will be seating available in the auditorium, with some sections socially distanced. We will also have the program streamed to the gymnasium, so there will be plenty of room to spread out. All are invited!!!

### PCA ACTIVITY CALENDAR

*ABC Bag/Snack*

Wed/Fri - No School

Thanksgiving Break

**Letter: Mm**

**Number: 12**

**Color: Yellow**

**Shape: Rectangle**

### Kindergarten Tidbit ~ Mrs. Whitlock

**Have a blessed Thanksgiving!!!**

### 1st grade ~ Mrs. Wilson

We will learn about Thanksgiving this week and have lots of fun Thanksgiving activities. No spelling lists, tests or homework this week!

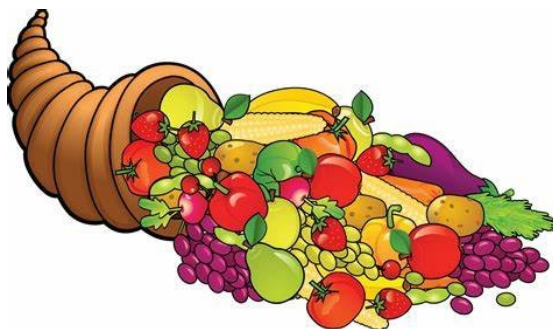

We earned a popcorn party last week. And we will have our party on Monday, November 23rd! The students are excited to try all the different varieties of popcorn. Yum!

I am truly blessed to be teaching First Grade at PCA. I enjoy seeing the children grow in knowledge and in God's grace. Have a wonderful Thanksgiving!

Please continue to color in the days your child reads on the November Reading Calendar. It is due back, no later, than Tuesday, December 1st.

### 2nd grade ~ Mrs. Bickett

Happy Thanksgiving to all of you!!!

**Mrs. Cook's Jr. High News:**

PLEASE make sure your student has a flash drive to keep with them and use in writing.

**History**

6th: We are looking at the early colonial settlements this week.

7th: We have been working on comparing Christianity to Islam. Our focus has been on the distortion of God's Word during the 300's-1500's. We are also working on a faux stained glass piece.

8th: We are half way through our Constitution test. Students should study daily notes and be working on their Civics book. They have had this for three weeks and it is due January 5th.

**Language Arts**

6th: We finished the *Westing Game* novel: a *Who Done It* mystery. We are moving back into regular classroom work. Students have a poem to write over the break.

7th: We are focusing on learning imagery and being able to pick it out of our readings. Hopefully, we will master this and be able to incorporate it into our writing.

**Spanish**

7th: Keep up the great work! Work on memorizing opposite adjectives in Lesson 9.

8th: Study vocabulary for lesson 10 A and 10 B. Work on those forms of Estar this week.
