TEACHER'S NOTES FOR YOU!

Sonshine Preschool Note ~ Miss Holly

Snow and December start this week! What a fun time to be a little one.

We are on letter K-kuh-kick. This week we are studying the book "Snow Day", and then come Friday we start our "Christmas Around the World".

Please remember winter clothing and boots. We go outside!

Kindergarten ~ Mrs. Bullington

Here is the upcoming show and share schedule:

December 1st - Lucy

December 8th - Reyna

I am looking for volunteer parents or grandparents who might be willing to come into class once a week (or even just a few times throughout the remaining school year if once a week isn't possible), to listen to children read from 8:10 to 9:10! Please FB message or text me with your availability if you can help! Thank you so much!

3rd grade ~ Mrs. Glass

Bible - Memory Verse -Luke 19:10. We will learn about parables told by Jesus referring to "Seeking the Lost." We will learn about the lost sheep, the lost coin, and the lost son. Luke 15 - Now the tax collectors and sinners were all gathering around to hear Jesus, but the Pharisees and teachers of the law muttered "This man welcomes sinners and eats with them." Then Jesus told them this parable: suppose one of you has a hundred sheep and loses one of them. Doesn't he leave the ninety-nine in the open country and go after the lost sheep until he finds it? And when he finds it, he joyfully puts it on his shoulders and goes home. Then he calls his friends and neighbors together and says, "Rejoice with me; I have found my lost sheep." I tell you that in the same way there will be more rejoicing in heaven over one sinner who repents than over ninety-nine righteous persons who do not need to repent."

English - We will be working with addressing envelopes, direct and indirect quotations, and continuing comma work. Test on Friday.

Math - We will be working with story problems, measuring using centimeters (cm), and division with a remainder.

Spelling - List #14. Test on Friday

Science - We are starting a new chapter over the Earth's surface. We will learn the three sections: the core, the mantle, and the crust of the Earth. The Earth's surface consists of 70% water and 30% land. We will learn about the different layers of the soil and the minerals that can be found in the soil.

5th grade ~ Mr. Clausen

Science - Test on Friday.

English - Book review FINAL DRAFT due on Friday.

Mrs. McCoy's Jr. High and High School News:

7th world history Test #3 (Nine Weeks Exam) over Chapters 1-9 and Maps 6-7; on Friday

7th ELA Treasure Island Novel Test on Thursday!

7th ELA Treasure Island Novel project Due Friday, December 8. This project is completed by student at home.

6th ELA Spelling Test #13 on Friday

PCA MISSION STATEMENT ~ To provide an excellent academic education with a Christian worldview based on the absolute authority of God's Word, the Holy Bible.
