THINGS TO NOTE ...

- A **Girls Basketball** practice and game schedule is going home today with 4th-8th graders.
- **January lunch menus** are going home tomorrow and are due back next Wednesday, Dec. 15.
- Friday, beginning at 6:30 p.m., our **Jr High Choir** will perform a few songs for us, followed by the K-5 presentation of **"Long Foretold: The Journey of the Magi."** **All students need to be here at 6:00. 6-10 Choir students will meet in the basement. K-5 students will meet in the gym.** We will have cookies in the gymnasium afterward. Those signed up to bring 2 dozen cookies are:
Elizabeth Z., LeAndra Harris, Ashley Gray, Susan Lunger, Kylee Schuetz, Carin van den Berg, Jessica Brokaw, Jamie Taylor, Krystal Bickett, Emily Sharkey, Angie Wall, Holly Harris (also serving in the kitchen).
*** We could still use a few more people to make cookies and another person or two to help in the kitchen. THANK YOU ALL!
- **Classroom Christmas parties** will be on Friday, December 17th. Please check with your student's teacher on what time they would like the party to start. Parents signed up to plan/lead the parties:
Kindergarten - Ashley Gray & Rachel Skaggs First - Krystal Bickett, Maria Crew, Heather Heaton
Second - Jessica Odell & Tara Bohm Third - Kelly McKune & Martha Gartin
Fourth - Laura Richey & Jessica Brokaw Fifth - Samantha Engel & Jamie Taylor
Sixth - Courtney Bayer, Sarah Scruggs, Pam Friel
- **Christmas Break schedule:** 2 PM Dismissal Friday, Dec 17. Classes resume Tuesday, Jan 4th. (A Day)

Congratulations to our Boys Basketball team! They took 2nd place in the conference tournament. Great job playing with honor and respect, all for the glory of God! Thank you also to all family and friends for your respect of the mask policy during the tournament.

What a wonderful job by our students in their performance of "A Christmas Carol"! We have quite a talented group!

TEACHER'S NOTES FOR YOU!

Kindergarten ~ Mrs. Bullington

Our **classroom Christmas party** is next Friday! Thank you to **Ashley Gray** and **Rachel Skaggs** for planning and leading our party! We will start at 12:30 p.m.

2nd grade ~ Mrs. Bickett

Our Christmas program is this Friday night. We are looking forward to sharing about the birth of Christ through our play and songs. 2nd graders will be dressed as angels in the program.

Our Christmas party will be on Friday, December 17th from 12:30 until 2:00. A big thank you to Jessica Odell and Tara Bohm for being the room mothers for our party. If you would like to contribute anything to the party please contact them.

Bible: This week we are learning about Nehemiah and what it means to be a good leader.

Verse: "For the Lord is good and his love endures forever; his faithfulness continues through all generations." Psalm 100:5 We will recite this verse on Friday.

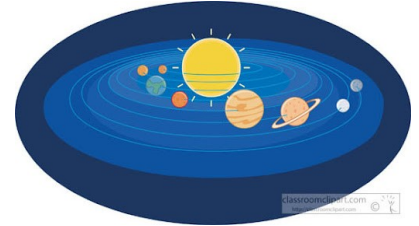

Phonics and Language: We will finish chart 13 this week. We are learning how to make singular nouns plural by adding s, es, changing y to i, and changing the spelling of the word. We will also learn how to make a noun possessive.

2nd grade Continued...

Math: We will learn place value to the ten thousands place, normal body temperature and boiling point of water. We are continuing to count various amounts of money including half dollars. We'll be writing and differentiating between whole numbers, fractions and mixed numbers.

Spelling: We are working on list 15 spelling words, our test will be on Friday. Bonus words are Scripture, sermon, chocolate, ginger, and ornament.

Science: We will finish our science books this week. Our last chapter is about space and our solar system. Then we will begin our history book.

3rd grade ~ Mrs. Glass

Bible - Memory Verse: Ephesians 4:32. We will be learning about repentance and forgiveness.

English - We will continue addressing envelopes. We will even write a letter to one of our classmates and send our letters in the mail. We will start learning about verbs.

Math - We will learn or multiples of 7, measures of weight: pounds and tons, and how many feet and yards are in a mile.

Spelling - List #15 Test Friday

History - We will continue to learn about Daniel Boone during the frontier years. Test on Wednesday, December 8th over pages 129-153.

Science - We will be starting Chapter 2 and learn about energy. We will read about wind, water, solar, and fuel energy. We will read about waiting and working energy. Next week, we will learn about electricity.

4th grade ~ Mrs. Odell

Our memory verse this week is Isaiah 9:6

We have our drivers for our in-town field trip. We will leave around 10:05 on Wednesday, December 8, and be gone for about an hour. We'll go to a nursing home and RP Lumber to deliver the mittens, etc.

On Wednesday, December 15, we will be presenting our "gifts" to one another. These are presentations that could include a song, poem, reading, dance, skit, magic trick or anything that is from the abilities God has given each child. Wow! We are so busy!

Ingredient requests have been handed out. Contact me, please, if you have questions. These will be used to make simple recipes.

We are reading *Saved at Sea* now with the children reading one chapter an evening on Monday, Tuesday, and Thursday and two chapters over the weekends. Please make sure your child is reading this book. They should complete chapter 7 by Tuesday evening.

We test on spelling list 15 tomorrow and then begin list 16.

Have a great week!

5th grade ~ Mr. Clausen

Welcome to our new student, Bentley Wolf!

History and science tests next week on Thursday and Friday.

Fifth grade will participate with the junior high students in their Christmas Party. Girls, please bring a snack. Boys, please bring a 2 liter bottle of soda or juice.

Our class will also do an ornament exchange. We will be doing this "white elephant" style. Those who would like to participate in this may make or purchase an ornament to exchange.

Science ~ Mr. Cornman

6th Science : Quiz 11 Earth Structure 3.1, Friday. Then Tsunamis, Earthquakes, Causes followed by Volcanoes and their structure followed by a Quiz probably Friday.

6th History: Quiz 11, 6.3 tomorrow Tuesday. Then Deserts, animals, Pacific Ocean.

7th Science: Reviewing for Quiz 14 sections 5.1 - 5.2 Thursday. Then science Founded by Faith, Evolution vs Creation.

8th Science: Quiz 10 sections 5.1 - 5.3 probably Tuesday. Then Chapter 6 Nature of Heat; thermal energy, holding thermal energy and measuring thermal energy.

Girls, please bring a snack. Boys, please bring a 2 liter bottle of soda or juice.

Each homeroom will do their own gift exchange.

7th grade will be doing a white elephant exchange.

PCA MISSION STATEMENT ~ To provide an excellent academic education with a Christian worldview based on the absolute authority of God's Word, the Holy Bible.
