### *Cell Phone Policy Reminder*

If students bring a phone to school, they are to keep their cell phones out of sight. The phone needs to be silenced & stored in a book bag or locker. This means even during bleacher time after arrival and at dismissal. Thank you!

## Scholastic Bowl Champs!

Congratulations, to our Scholastic Bowl Team on their TOURNAMENT WIN!

It was quite a feat! Our team started with the tougher first match, then had to face the 1st place team in round 2. Wow! So proud of you all! God is good!

**Students, please turn in your clean polos to the office asap. Thank you!**

## TEACHER'S NOTES FOR YOU!

### Kindergarten ~ Mrs. Bullington

Hey Kindergarten Families,

We are having a great week so far of playing and learning together!

In Bible, we are continuing talking in greater detail about the life of Jesus when He walked on the earth. In Bible memory we have memorized Psalm 1:1-3, Psalm 23, and Romans 3:19-26, are mastering Romans 4:2-5, and will begin memorizing Romans 8:31-39.

In phonics, we are reviewing all of our special sounds and vowel teams especially focusing on diphthongs. We are learning a new phonics song to help us remember diphthongs. We are working in our phonics drawers to get individual practice encoding and decoding words. We would love to have any family members who would be interested, come in and listen to the children read. Please text or Facebook message me the day before you or a family member would like to help! The times that work best for us are 8:10-9:10 Monday-Thursday.

Readers that come home are not mandatory, but the more practice your child gets, the quicker they will take off with their reading! Some nights you may be too busy to do readers, and other nights your child may even be asking to read it twice through—whatever works for your family. When they have read their reader 6 times between home and school (there are spots to sign on the back!), they get a prize! These kids are doing amazing! If you have any questions about how to help your child with his/her reader, please ask!

In numbers, we are learning about simple subtraction while continuing to review counting by 5s and coin values.

We are learning about the lifecycle and parts of a butterfly.

Have a wonderful week enjoying time spent with the Lord!

-Mrs. Bullington

### 4th Grade ~ Mrs. Odell

Because of our focus in Bible "Staying Strong in Truth" this week, we are learning music verses from a CD called "GT and the Incredible Race."

We are looking forward to a great day at the Ag Fair at the Bureau County Fairgrounds, and I want to thank the drivers for helping us with transportation. We will load at 8:30 and be back by 11:15. Our farming community is amazing as we catch a glimpse of the products they produce!

The children are successfully finishing their state notebooks. I would like them to be completed by this Friday. Friday is also our speech contest presentations. Our time is 9:00 and you are welcome to come.

We'll test on list 28 in spelling and begin 29 tomorrow. We are studying adjectives in English, graphs in math.

Happy spring!!

**PCA MISSION STATEMENT ~ To provide an excellent academic education with a Christian worldview based on the absolute authority of God's Word, the Holy Bible.**
