

Take home Mrs. Bermudez

**¡CINCO DE MAYO! The fifth of May!** Since this is my last year at PCA, we will be having a huge fiesta/party to celebrate the Mexican holiday, Cinco de Mayo. We will be doing this on Monday, May 5<sup>th</sup>! We are all making decorations, flags, and placemats. The 7<sup>th</sup> & 8<sup>th</sup> graders will be making piñatas for every class. This is going to be a day of fun, activities, dancing, and food!

I am in need of **bags of small wrapped candy** to fill the piñatas. Would you consider donating candy? We are also going to be eating lunch together. Could you help me with a donation of money to purchase food? I'm thinking lunch will cost around \$200. I would love to have everything donated so the children wouldn't have to pay anything for lunch that day. Just let me know or put money in an envelope marked, "Cinco de Mayo." Thank you for any help or donations.

8<sup>th</sup> MATH: We are finishing up our test over geometry and the Pythagorean Theorem. We will be finishing up the book doing advanced algebra.

7<sup>th</sup> MATH: We are continuing work in geometry. We will be working with circles and angles.

5<sup>th</sup> / 6<sup>th</sup> MATH: The 5<sup>th</sup> graders are reviewing dividing fractions. The 6<sup>th</sup> graders are learning about the circle. We have some quizzes and tests this week as well.

7<sup>th</sup> / 8<sup>th</sup> SPANISH: We will be doing projects for our party/fiesta!!! We are finishing up our book. Our final chapter is on animals. We will be reviewing words learned and fine tuning our writing.

5<sup>th</sup>/6<sup>th</sup> SPANISH: We are working on our Cinco de Mayo projects.

ELEMENTARY SPANISH: We are working on our Cinco de Mayo projects.
