THINGS TO NOTE ...

- **October Lunch Menus** ... Due to the office by tomorrow!
- **Bus Families...** There is no afternoon bus THIS Friday, September 13th.
- **K-8 Art...** Reminder to bring a paint shirt or paint smock for Art class.
- **Boys Basketball...** Practices have begun! The team will practice today from 3-5pm. The next practice is Tuesday, September 17 from 3-5pm. Please note the October 5th practice is moved to 3 pm.
- **Grandparent's Day...** Invitations will be sent home this week with students. If you need more invitations, please see the office. If a grandparent is not able to attend, please feel free to invite another special person to share the day with your student.

Would you be able to provide food or juice for the breakfast? We could use a few more breakfast casseroles, muffins, coffee cake, and juice. Please contact the office ASAP if you are able to help.

- **Elks Orthopedic Clinic...** For kids ages newborn to 18. Dr. Erickson will be providing services at Perry Memorial Hospital on Thursday, October 3 from 8:30-10:30am. Call 800-272-0074 to schedule an appointment.

A BIG THANK YOU to all who participated in our Mums Fundraiser for the Jr. High Washington D.C. trip! 537 mums were purchased! Thank you to Carmen & Buc Grey, Curtis & Jessica Odell, Mike Partin, Troy Wall, Ted Heaton, and Ron Imsland for your extra time spent unloading and sorting!

Happy Birthday September

**ABC Bag/
Snack**

**Wed, Sept. 11 - Bryant
Fri, Sept. 13 - Everly**

Kindergarten Tidbit ~ Mrs. Whitlock

Please keep sending water bottles and snacks.

Show and Share starts next week. Check the B.E.E. binder for your child's day.

Boggio field trip will be Tuesday, Oct. 25. More details to come. If you can drive please let me know. Drivers have to fill out paper work in the office.

The children are excited to share songs, memory verses, count and make a special project with their grandparents. Be sure to let Grandpa and Grandma know to come on Friday, Sept. 27th. Remember, we get out at NOON on that Friday. Please send to class a picture of their grandparents.

The Kindergartners are doing awesome at remembering to take care of their belongings first thing in the morning and getting to their desks to begin their "Welcome Work".

The students know each other's names most the time now. We are practicing being good friends and a team in our classroom.

We are working hard in handwriting as we practice writing the letters; E, e, I, i, U, u, A, a and O, o. We read the book "What do you do with a Problem". This is a great book and we are using the concept in the book of learning and growing as we face problems. There is always good that comes out of a problem when we look for it.

We use the Kindergarten way of making letters, with capitals for the first letter in our name only. Your children are making their letters carefully as we learn the letters and the spaces on the lines where they belong.

The students have learned the sounds for the letters I, i, U, u, E, e, A, a and O, o. We will add the name and sound for T, t. this week. We go around the room and say a letter with the flash cards mixed up as fast as we can. It seems most of the letters are recognized and can be identified. You can help your child by practicing with flash cards. Have them say the sentence for each letter sound they know. The students will have an oral evaluation this week in Phonics. We will play a game with rhyming words and "I Spy" for things that start with O, o.

Our new poem is "Who has seen the Wind".

Kindergarten Continued...

In Social Studies we will continue with our community helpers. Emmitt's dad came to the class in his fireman uniform. We enjoyed his talk and thank him for coming!

The students will explore alike objects, small, medium and large, along with writing the numbers 1 and 2. Number 9 will be reviewed with felt objects and our number cards. We will have a Numbers evaluation this week.

Almost everyone recited our memory Bible verse last Friday - Hooray!

We practice talking in front of others while we say our memory verses. The Kindergartners stand on the brown line, hands at their sides and speak loud enough for our friends in the back row to hear them.

Our apple tree stickers charts are filling up and we will soon be choosing our "terrific tickets" because we are terrific students!

Our new Bible story is "Noah and the Ark" and our memory verse is: "I have set my rainbow in the clouds, and it will be the sign of the covenant between me and the earth." Genesis 9:13

What an awesome reminder that we can trust God to keep His promises.

Mrs. Whitlock

1st grade ~ Mrs. Wilson

*** Parents, please make the following correction to your student directory:

Ewing, Christina (Mother's cell - 830-1581).

Bible - This week we are learning about Noah. Our memory verse is Proverbs 3:5-6a, "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge Him."

Phonics - students will continue to learn new special sounds. This week's special sounds are

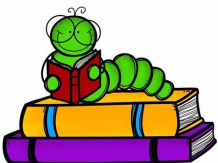

-pl in plane, -fr in frog, -tr in train, -sh in ship, -th in thick, -th in this, -bl in block, -cl in clock

All students did very well on their first Phonics test! Keep up the good work!

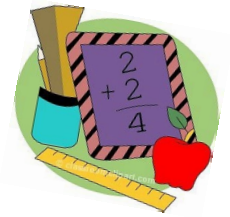

Math - We will continue to compare numbers to find greater/less, review 1-5 addition families, review place value and review ordinal numbers (first, second, third). We will learn to identify missing addends, introduce 1-3 subtraction families. We will also learn about the penny and count by 10's.

Spelling – please practice week #3 words at home.

Please remember to return library books to school. We have library on Monday and Thursday. Your child will not be able to check out a new book until they return their old one(s). Thank you!

2nd grade ~ Mrs. Bickett

Students are doing a good job of settling into our routine here at school. I hope your school routines at home are going well! Please remember to check your child's travel folder daily and sign homework on Mondays, Tuesdays, and Thursdays. School begins promptly at 8:00 a.m. Please try to get your child here on time.

In Bible class this week we are beginning a unit on Moses. This week we will learn how Moses was used by God to set his people free and yet he remained a very humble man. We are continuing to work on our Bible passage from Hebrews. This week we will focus on Hebrews 11:8: "By faith Abraham, when called to go to a place he would later receive as his inheritance, obeyed and went, even though he did not know where he was going." We will recite this verse on Friday. We will also have spelling test 3 on Friday.

In math classes this week we will work on subtraction fact families 1-6, identifying cones, spheres, cylinders, pyramids, and cubes, adding on 2 and taking away 2, and finding half of a group.

In Phonics and Language class we have begun chart 7 special sounds and we are continuing to learn about sentences. We will identify declarative and interrogative sentences and put the correct ending marks for them.

In history class we are learning about early America. We have talked about the Native Americans and will be learning about the separatists (pilgrims) this week.

3rd grade ~ Mrs. Glass

Bible - Our memory verse is Matthew 3:17. This week we will be focusing on Jesus's baptism, His time in the wilderness, and the temptations Jesus faced.

Spelling - List #3. Test Friday.

Math - We will be working with geometric shapes, multiplying by 3's, and continuing to practice subtraction with borrow. Math test this Friday.

English - We will be working on our sentences and writing our own declarative, interrogative, exclamatory, and imperative sentences. English test this Friday.

Science - We are learning about our last vertebrate group - birds. Also, we will start learning about invertebrates.

History - We have been learning about Christopher Columbus. We are close to the end of learning about Christopher Columbus, so in next week's News Note, look for the date of our quiz.

-Mrs. Glass

4th grade ~ Mrs. Odell

*** Parents, please make the following correction to your student directory:
Ewing, Sasha (Mother's cell - 830-1581).

We are beginning to study and learn Deuteronomy 6:4-9 and we are getting acquainted with Bible study tools.

We had a great time with Alice's aunt Rachel Kiser! She inspired and guided us in the creative processes of writing a story. The students are continuing in their character development and plots on their own! I love it!

Spelling test 3 is tomorrow. We are working on the personal narratives in English, studying the insect chapter in science, and we will be testing in history over chapter 1 and 2 soon. We are having a wonderfully busy week! Our efforts are also going to the Grandparent's Day on Friday, September 27.

Have a wonderful week in the Lord and in the power of His might!

5th grade ~ Mr. Clausen

We are off to a great start for 5th grade! Today we have assigned Mammal Projects. These will be due in approximately 3 weeks. Students will construct a poster board and have the opportunity for an oral presentation. The oral presentation will be 2-3 minutes of telling interesting facts about their mammal to the class. Information included on the poster board will include:

Name of mammal	Photo of mammal
Range map	Habitat
Tracks	Food of mammal
Predators	Interesting Facts
Size of mammal	

Science ~ Mr. Cornman

6th: Broadleaf trees; deciduous, Maples, Elms, Oaks, Birches, Willows, Aspen. Quiz #3, 1.5 - 1.6 Thursday or Friday.

7th: Purpose and Design of Flowers, 12 parts of the flower, Pollination and Fertilization, Seed Development. Quiz #3, 2.1 - 2.2 Thursday or Friday

8th: Density; calculating density using density, Quiz #3, page 19 - 29 Thursday or Friday, Test 1 Monday.

Mrs. Cook's Jr. High News:

History

7th: We are still looking for 4 cans of gold spray paint; 3 small acrylic paints in black, white, aqua and coral. We need 3 for each color. They need to be here by Thursday. Thanks!

Language Arts

6th & 7th: Spelling 3 this week!

PCA MISSION STATEMENT ~ To provide an excellent academic education with a Christian worldview based on the absolute authority of God's Word, the Holy Bible.
