PARADE NEWS

Where the Spirit of the Lord is,
there is FREEDOM!

COME JOIN US ON THE PCA HOMESTEAD FLOAT THIS SATURDAY, SEPTEMBER 6!!

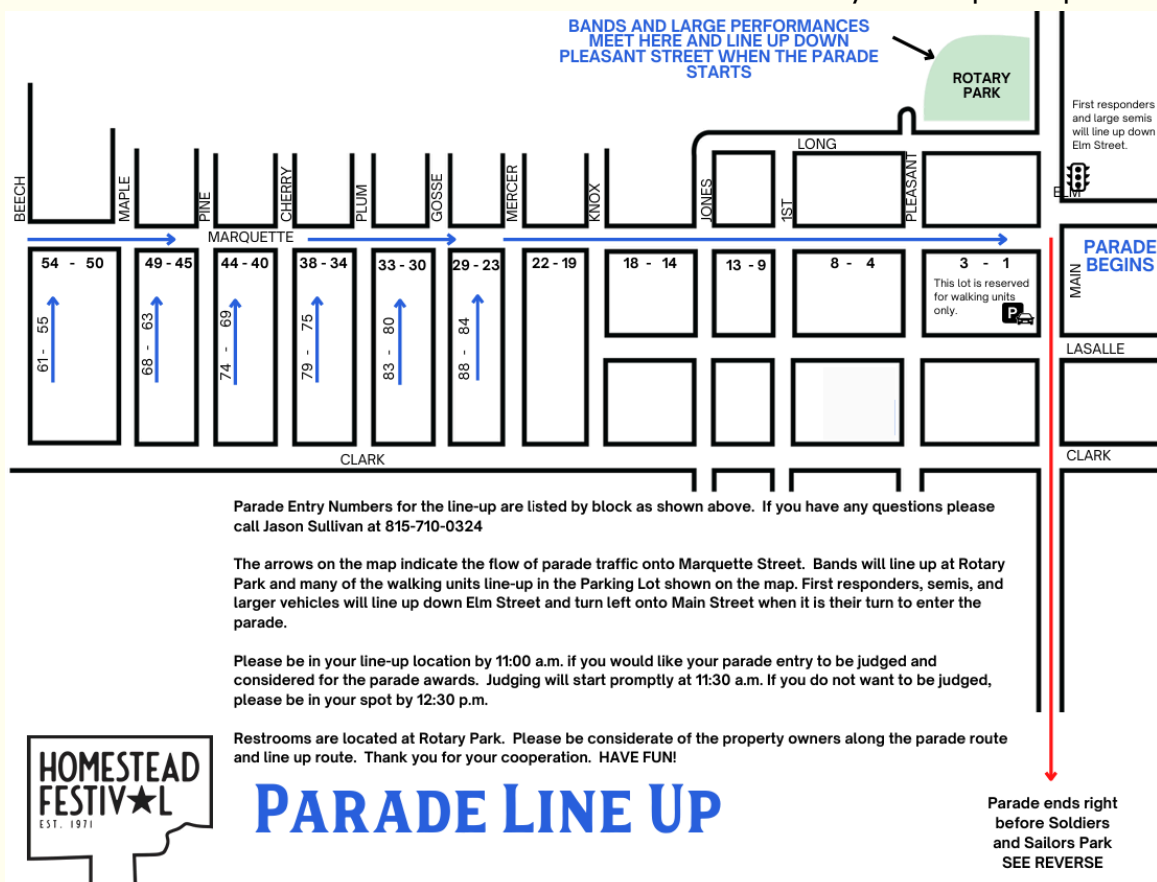

All students, staff, and parents are welcome and encouraged to join us during the Homestead parade. We are so excited to represent our amazing school to our community!

Parents do not have to stay with their children on the float. A sign in and sign out sheet will be required day of when dropping off and picking up your child. Students will not be allowed to leave with anyone other than their parent unless previously communicated to Katie McCoy or Hallie Monroe. Any student 4th grade and below is required to ride on the float. 5th grade and up may walk alongside if they would like.

We are entry #31 this year. All parade participants must arrive at our lineup spot by 1:00pm on Saturday. We will be parked on Marquette St. between Gosse and Plum.

Wear PCA shirts or Red!

A PCA Alert will be sent out when the float is nearing the end of the parade. This will help parents know the exact timing for picking their kid(s) up! We will pull off alongside the road on the NW side of the courthouse circle. This is where you will pick up.

THE SOUND OF MUSIC MAY BE COMING TO PCA!

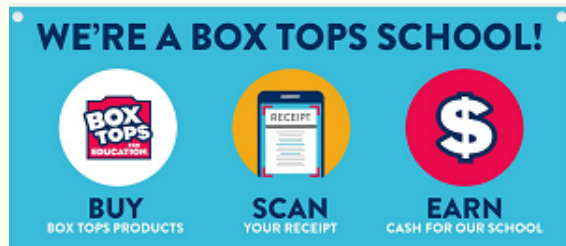

We are excited to announce that Princeton Christian Academy is considering performing our first school musical this early spring, and we have chosen ***The Sound of Music!*** The musical is open to all students in grades 6-12, consisting of about 17 soloists and about that many non-singing parts. This would obviously be a huge undertaking, so we hope to cast the play in October and begin some of the choral work before Christmas, as well as memorizing of lines. More intense rehearsals would begin in January, as well as set construction.

Since such a large cast is required, we need to know student interest before we order the very expensive librettos, music, and production rights. We are asking that students sign up on the posted audition sheets in the junior high hallway and on the high school bulletin board beside Mrs. Kiser's office. Please designate any and all parts you are interested in for auditions. Some singers would be in ensembles and not necessarily soloists.

The ***Sound of Music*** cast includes: (in order of appearance) S=Singing role NS=Non-singing role

Maria (S)	Rolf Gruber (S)
Sister Berthe (S)	Max Detweiler (NS)
Sister Margaretta (S)	Herr Zeller (NS)
Sister Sophia (S)	Baron Elberfeld (NS)
The Mother Abbess (S)	New Postulant (NS)
Other nuns (NS)	Admiral Von Schreiber (NS)
Capt. Georg Von Trapp (S)	Party Guests (NS)
Franz (NS)	German Officials (NS)
Frau Schmidt (NS)	Trio of the Saengerbund (S or NS)
Liesl (S)	Fraulein Schweiger (S)
Friedrich (S)	
Louisa (S)	
Kurt (S)	
Brigitta (S)	
Marta (S)	
Gretl (S)

Sponsorship Child

We as a school have the wonderful opportunity to support Allison Rosales, a 15 year old young lady living in Lima, Peru.

We ask that each student gives 50 cents a month or \$5 for the year. Our financial giving will help provide Allison with meals, Bible teaching, and other care for her growth and health. Please remember to pray for Allison and her family.

Check out the bulletin board in the school foyer for more info on Allison!

Mrs. Person's Kindergarten Note

This has been such a fun week in Kindergarten! We have worked on letters E through H. The kids have been very creative with what they bring in their letter bags. We have been learning about creation and we are on Day 6. We have done some fun activities that go along with our creation lessons. In math we have been working on patterns and position words. The kids have really enjoyed doing Bible Memory with Mrs. Bullington. We have really enjoyed our first full week of Kindergarten!!

Mrs. Baker's First Grade Note

Hello first grade families,

We are well underway for our new year at PCA and learning lots of new things already.

In Phonics we are learning what short and long vowels are and reading in our new readers. We will be getting use to having reading homework most nights during the week.

For Math we are working on counting and simple single digit addition.

Bible is teaching us about God's infallible word and that all things were created by him.

We are excited to be here in the new year and to see all that the Lord has for us.

Blessings to you all,

Mrs. Baker

Mrs. Glass's Third Grade Note

Bible – Our memory verse is Psalm 119:105. This week, we will be learning about Jesus our Savior and our promised Messiah. We will learn about the first two C's – God's Creation and Confusion (tower of Babel).

Spelling – List #2 Test on Friday.

Math – We will learn our multiples of 2, and rounding to the nearest 100. We will also work with pennies, nickels, and dimes.

English – We will learn about a run-on sentence and review the four types of sentences.

Science – We will be learning about the animals in the reptile section. Quiz Wednesday.

History – We will be learning about John Smith.

Mrs. Odell's Fourth Grade Note

Our memory focus this week is Psalm 1, Philippians 4:8, and II Timothy 3:16. We will learn it set to music and rhythm. We are becoming familiar with the value of studying God's Word. Its true and its inspired!

We will practice math facts so that they become so easy for them! At home practice is needed, too, please!

We will test on list 2 in spelling tomorrow and move on to list 3. We are reading about the discovery of the "New World" in history. Our science chapter is on learning to observe and will soon be the study of matter.

Have a great week!

Mr. Clausen's Fifth Grade Note

We are now beginning to get into the swing of things. Please take note that when students are assigned to "study" or "read" certain portions of their textbooks, they should expect to be quizzed over those portions during the next class period.

Each week we will have a Bible and a Spelling test and either a quiz or test in Arithmetic. Other subjects are more determinate by how we are progressing through the material.

Mrs. Lunger's Jr. High Note

6TH GRADE SCIENCE: Quiz 2 on Thursday

HISTORY & GEOGRAPHY: Quiz 2 on Friday

NATION NOTEBOOK: Students should have begun working on the notebook. Each page contains simple instructions.

7TH GRADE SCIENCE: Quiz 2 on Wednesday

Test on Monday, September 8th

8TH GRADE SCIENCE: Quiz 2 on Thursday

All my classes have been given "T&C" (Terms and Concepts) sheets to assist them in their study of the material that has been read and taught in each section.
