THINGS TO NOTE ...

- **Thank you**, volleyball tournament volunteers! We have today and Thursday left of the tournament. Our girls finished their season on Saturday. We are proud of you, Lady Eagles, for your hard work and team effort during this year! Thank you Coach Clausen and Beth Schultz for all of your time as well!
- **ART Helper** needed for next Tuesday, October 5! Parents, would you like to assist Ms. Lane for a class period? She needs an extra set of hands from 9:30-10:35 and 10:45-11:15. This is to help with Kindergarten and First grade classes. Please let the office know ASAP. Thank you!
- **School pictures** are next Wednesday, October 6th! Order forms will go home ahead of time.
- **BUS FAMILIES**... We will NOT have bus service in the afternoon next Wed, Oct 6th.
- **NO SCHOOL** next Friday, October 8 and Monday, October 11.
- **Progress reports** were issued last week. Ask your student for it if you haven't seen one!
- **Pastor Appreciation** invites are going home this week. Our breakfast/program is Friday, Oct. 17. Please make sure to invite the Pastor(s) in your life! RSVP should be made by the end of next week.

BOYS BASKETBALL

4th-8th grade boys! Practices begin this week! The first practice is Friday, October 1 from 3:15-4:15 pm. A practice and game schedule will be handed out to players. The first couple weeks of practices are as follows:

Saturday, Oct 2	9:10:30A	Thursday, Oct 7	3:15-4:30P
Monday, Oct 4	3:15-4:30P	Friday, Oct 8	9-10:30A
Tuesday, Oct 5	3:15-4:30P	Saturday, Oct 9	9-10:30A
Wed, Oct 6	3:15-4:15P	Monday, Oct 11	3:15-4:45P

Special News!!!

K-5 Music classes will be starting next week.

Welcome, Mrs. Katie McCoy as our new music teacher! Katie is a familiar face at PCA! Katie has 3 daughters who attend PCA and 1 son at home. She and her husband, Mitch, began coaching PCA girls basketball last year. If your kids go to AWANA at PBC, they know Mrs. McCoy as one of our AWANA Commanders! We are so thankful to have her instructing our children.

A Note from Coach Clausen

Thank you all for a great season of learning and improving! It is so exciting to see the progress made by the girls over the course of a season.

Please wash uniforms and turn them in to me as soon as you can.

04 - Ivan Anderson	9th grade
04 - Annalise Baker	6th grade
07 - Lillian Swisher	6th grade
07 - Mr. Luft	Jr. High/High School teacher

Fri, Oct 15	5:15P Malden Boys B-ball Tournament
Sat, Oct 16	9A & Noon Malden Tournament

TEACHER'S NOTES FOR YOU!

Kindergarten ~ Mrs. Bullington

We're having a great week in Kindergarten! We are continuing to work on memorizing Psalm 23. Students are bringing home phonics books they make in class. If you have time to read the phonics books with your child, please do so! Repetition is a great practice tool!

1st grade ~ Mrs. Baker

Fall is upon us and first grade is on the move! October is *Apple Month* as we learn and have special apple treats. We are learning new things in math and our reading is racing along! Keep up the good work, first graders! ~~~ II Cor. 9:8 - "And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work."

2nd grade ~ Mrs. Bickett

Bible: This week we are learning about respecting authority as we look at Miriam and Aaron.

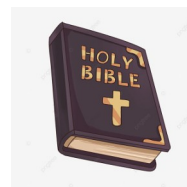

Verse: We are reviewing all the Roman Road verses we have learned so far this year.

Phonics and Language: Chart 9 and 10 special sounds, identifying declarative and interrogative sentences, and identifying the 2 parts of a sentence (subject and predicate), and learning about root words and suffixes.

Math: In math class we will read a pictograph, do the 9 addition and subtraction families, and do 3 addend addition problems.

Spelling: We are working on list 6 spelling words, our test will be on Friday. Bonus words are: habitat, addend, difference, ocean, and forest

Science: This week we will learn about different animals and animal habitats.

3rd grade ~ Mrs. Glass

Bible - Memory Verse: Matthew 5:16. This week, we will be learning about the "Beatitudes". We are going to see how we need to apply these beatitudes in our lives.

English - We will continue to identify our nouns in singular and plural form.

Math - We will be working with three digit cross multiplication. We will be starting division and learning perimeter. There will be a test over everything we have learned on Friday.

Spelling - List #6 Test on Friday

Science - Test on Wednesday over Chapter 7. We will start learning about the different types of animal habitats in Chapter 8.

History - We will finish learning about Squanto and begin William Penn. We will have a test next Wednesday, October 6th.

4th grade ~ Mrs. Odell

Our Bible passage this week is Psalm 139:1-12.

We are learning about the settling of the New World by the English in history and we should be ready for a test over chapters 3 and 4 on Thursday or Friday. We are learning about plants in science. We are studying how that word usage makes a difference in communication in English. Math practice of facts is always appropriate because we are dividing with remainders and will begin averaging, converting measurements, multiplying 3-digit factors and beginning fractions! We'll test on List 6 in spelling this week on Wednesday. Then we'll move on to list 7.

I am asking for them to decorate a little pumpkin as a character from a book they have read. They will then present an oral book report to tell of that character. So – please make sure they are highlighting a book character and not a movie character they have watched.

Enjoy another beautiful week!

5th grade ~ Mr. Clausen

Science: Test on Wednesday

English: Test on Friday

Nation Notebook: By now, 10-15 pages should be completed. Continue to work on this little by little.

History: Test next Tuesday over Chapter 4

Science ~ Mr. Cornman

6th Science: Quiz 4, sections 1.7 - 1.8 Friday then Vertebrates and Invertebrates; their classification and structures. Bug collection will be due next Monday.

6th History: Quiz 5 Thursday over Provinces and Territories with their capitals. Then Canada's people and resources, climate, industry.

7th Science: Test 2 Friday over chapter 2 then your body; cardiovascular system, then respiratory system.

8th Science: Solids of Circular Motion, Kinetic Friction and to solve for coefficient of static friction.
